DEFINITIONS: As used in this form, "Requester" is the person or entity seeking information concerning me (as identified above), and includes all of the Requester's employees, agents, and authorized representatives so designated in writing. As used in this form, "HRP" is Hawaii Residency Programs, Inc. (hereafter "HRP") and its Executive Director, administrative personnel, and other employees and agents. As used in this form, "UH" is the University of Hawaii and its Program Director, faculty, administrative personnel, and other employees and agents. As used in this form, "Subject Information" is any and all documents, records and other information and opinions relating to me, including, but not limited to, my performance, competence, character, behavior, and competence and qualifications (such as to practice medicine or to obtain or hold employment, clinical privileges, or professional credentials).
CONSENT AND AUTHORIZATION: I hereby consent and authorize HRP and UH to provide the Requester with any and all Subject Information, (a) regardless of whether HRP or UH came into possession of the Subject Information prior to my employment, during my employment, or after my employment with HRP; (b) regardless of whether the Subject Information is communicated verbally, in written form (hard copy, electronic form, etc.) or otherwise; (c) in HRP's and UH's sole exercise of discretion as to what Subject Information is appropriately responsive to any request; (d) regardless of whether the provision of Subject Information is based on the Requester's pending request, future request, or otherwise; and (e) as HRP and/or UH, in its sole discretion, deems appropriate for purposes of supplementing any Subject Information previously provided (such as where the Subject Information previously provided is no longer complete or accurate or needs to be amended to be made more complete and accurate).
